Foreword

As we of the Class of 1967 prepare to leave our high school days behind, and go into employment or into higher education, we carry with us the theme we chose for this volume of *The Oaks*: "Spirit."

We would first like to define "Spirit" as pertaining not only to roaring crowds in the bleachers at athletic events, but also to a sincere enthusiasm for whatever we undertake in our school, in our community, and in our private lives. "Spirit" is honest endeavor in any and all fields. It is also the pride we have in our debate team as well as in our football team; in our student council as well as in our basketball team; in our academic and social life as well as in our athletic records. Spirit is the flame and the inspiration of our personal lives, as well.

So, as you leaf through this "chapter" of our experience, we hope you will treasure, along with us, all of the memories, the hopes, the plans, the dreams which we have tried to capture here. Very simply, "Spirit", is the enthusiasm, the pride, the feeling of cooperation, and the sincerity of purpose which is perhaps best epitomized by the administration, the faculty, and the student body of Muskegon Heights High School.

Joyce Marie Walker
1967 Co-editor, *The Oaks*

We Dedicate This Yearbook To Mr. David R. McKenzie

We, the Senior Class of 1967, are proud to dedicate this forty-sixth edition of *The Oaks* to you, Mr. David R. McKenzie.

You were born in Coldwater, Michigan, and attended Monroe High School. You received your A.B. Degree in American history from Central Michigan University. At C.M.U. you participated in football, basketball, and track. In 1927 you came to M.H.H.S. and became known as "Coach", or "Mac" to your many friends. You were coach of our Track and Reserve Football teams for many years. Your football teams ran up an unequaled record of 131 wins and 35 losses.

We Seniors wish you many happy years ahead in which to enjoy the sports and outdoor life we know you have always loved. We congratulate you, Mr. McKenzie, for being such an outstanding example of "Tiger Spirit".

"I BELIEVE"

Drake-Graham-Stillman-Shirl

I believe for every drop of rain that falls,
A flower grows.

I believe that somewhere in the darkest night,
A candle glows.

I believe for everyone who goes astray,
Someone will come to show the way.

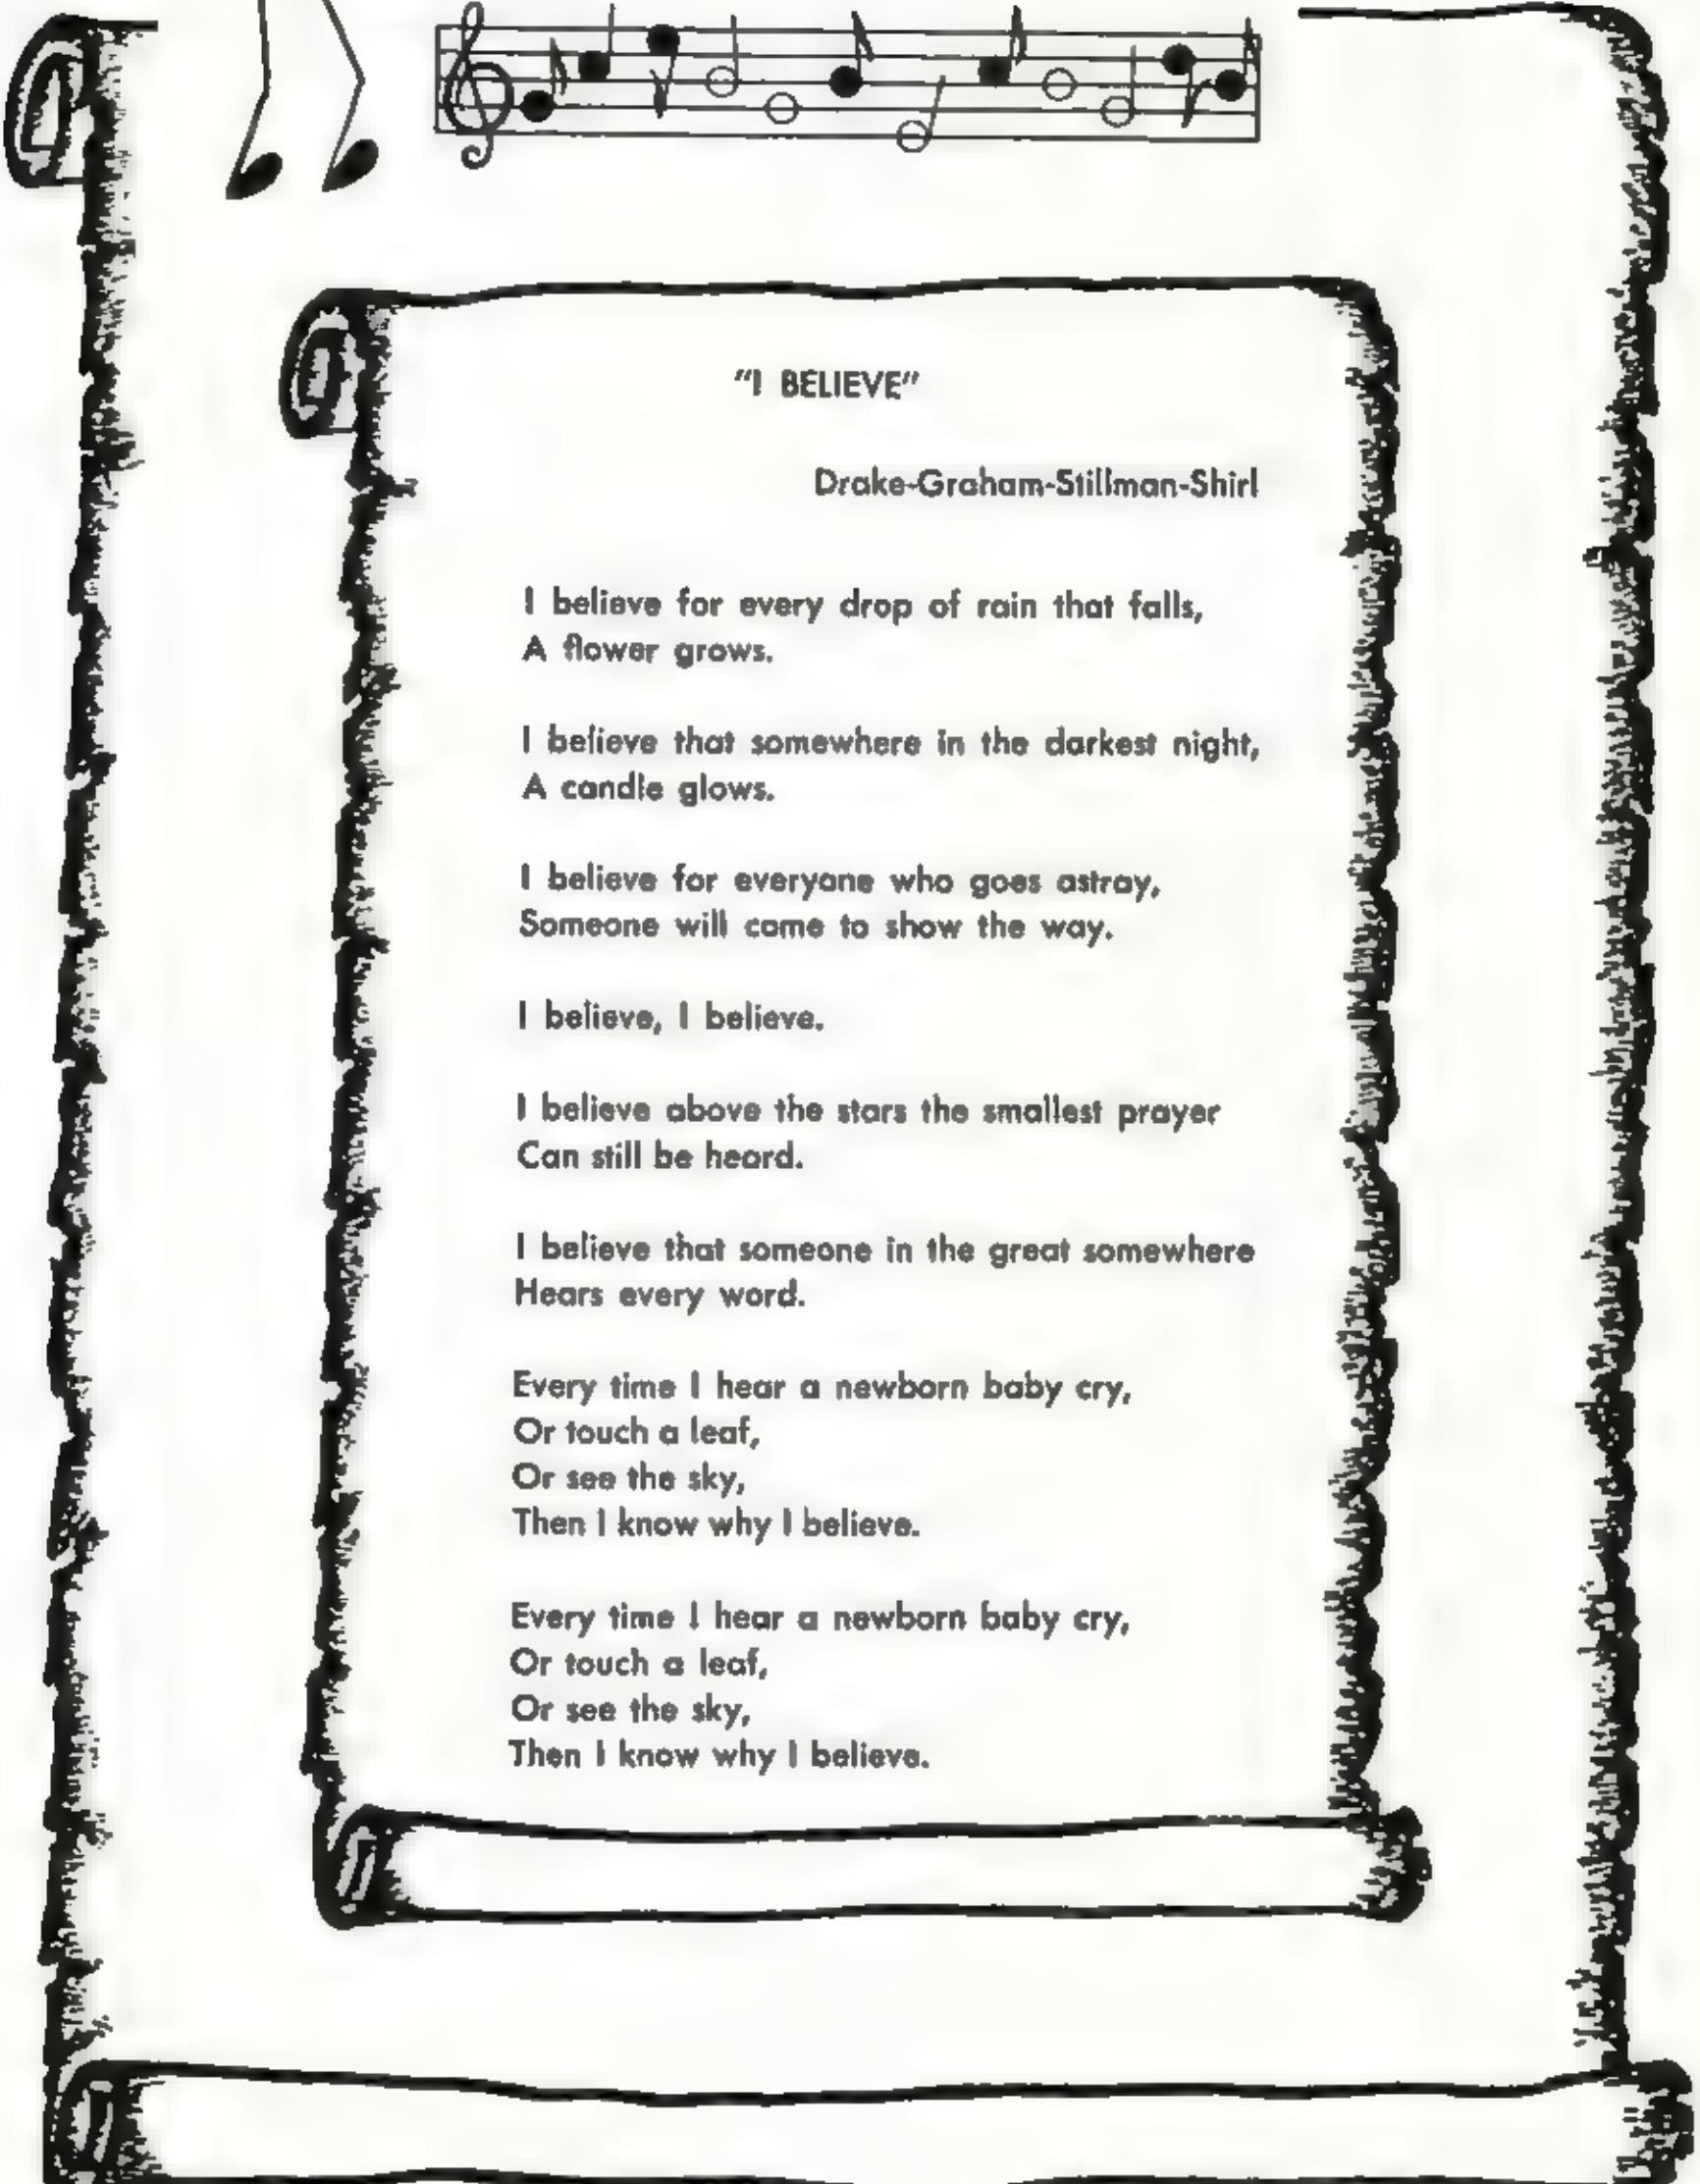

I believe, I believe.

I believe above the stars the smallest prayer
Can still be heard.

I believe that someone in the great somewhere
Hears every word.

Every time I hear a newborn baby cry,
Or touch a leaf,
Or see the sky,
Then I know why I believe.

Every time I hear a newborn baby cry,
Or touch a leaf,
Or see the sky,
Then I know why I believe.

"I told you skipping was fun."

"The Mod Look"

"Wellllll"

"Where's Prince Charming?"

"Which button do I push?"

"He strikes again!" (again??)

"We have plenty more to sell!"

"I still don't think blondes have more fun!"

"A profit!"

"Well I think we've waited long enough!"

"Four legs are better than two!"

"Glamour Girls"

"Page 3? Where's page 3?"

Homecoming

Homecoming 1966

Jerry

Sue

Our Royal Couple

October 20 marked one of our most gala events of the year: Homecoming.

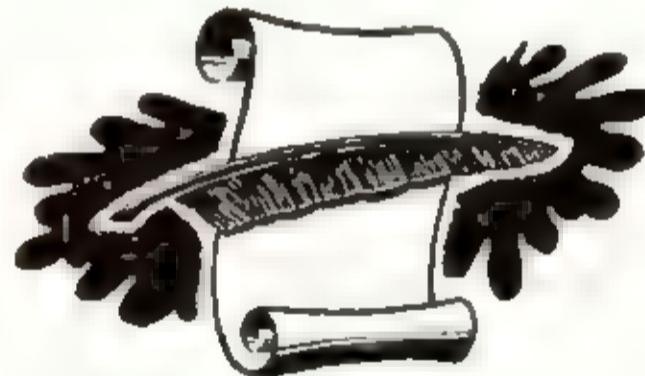

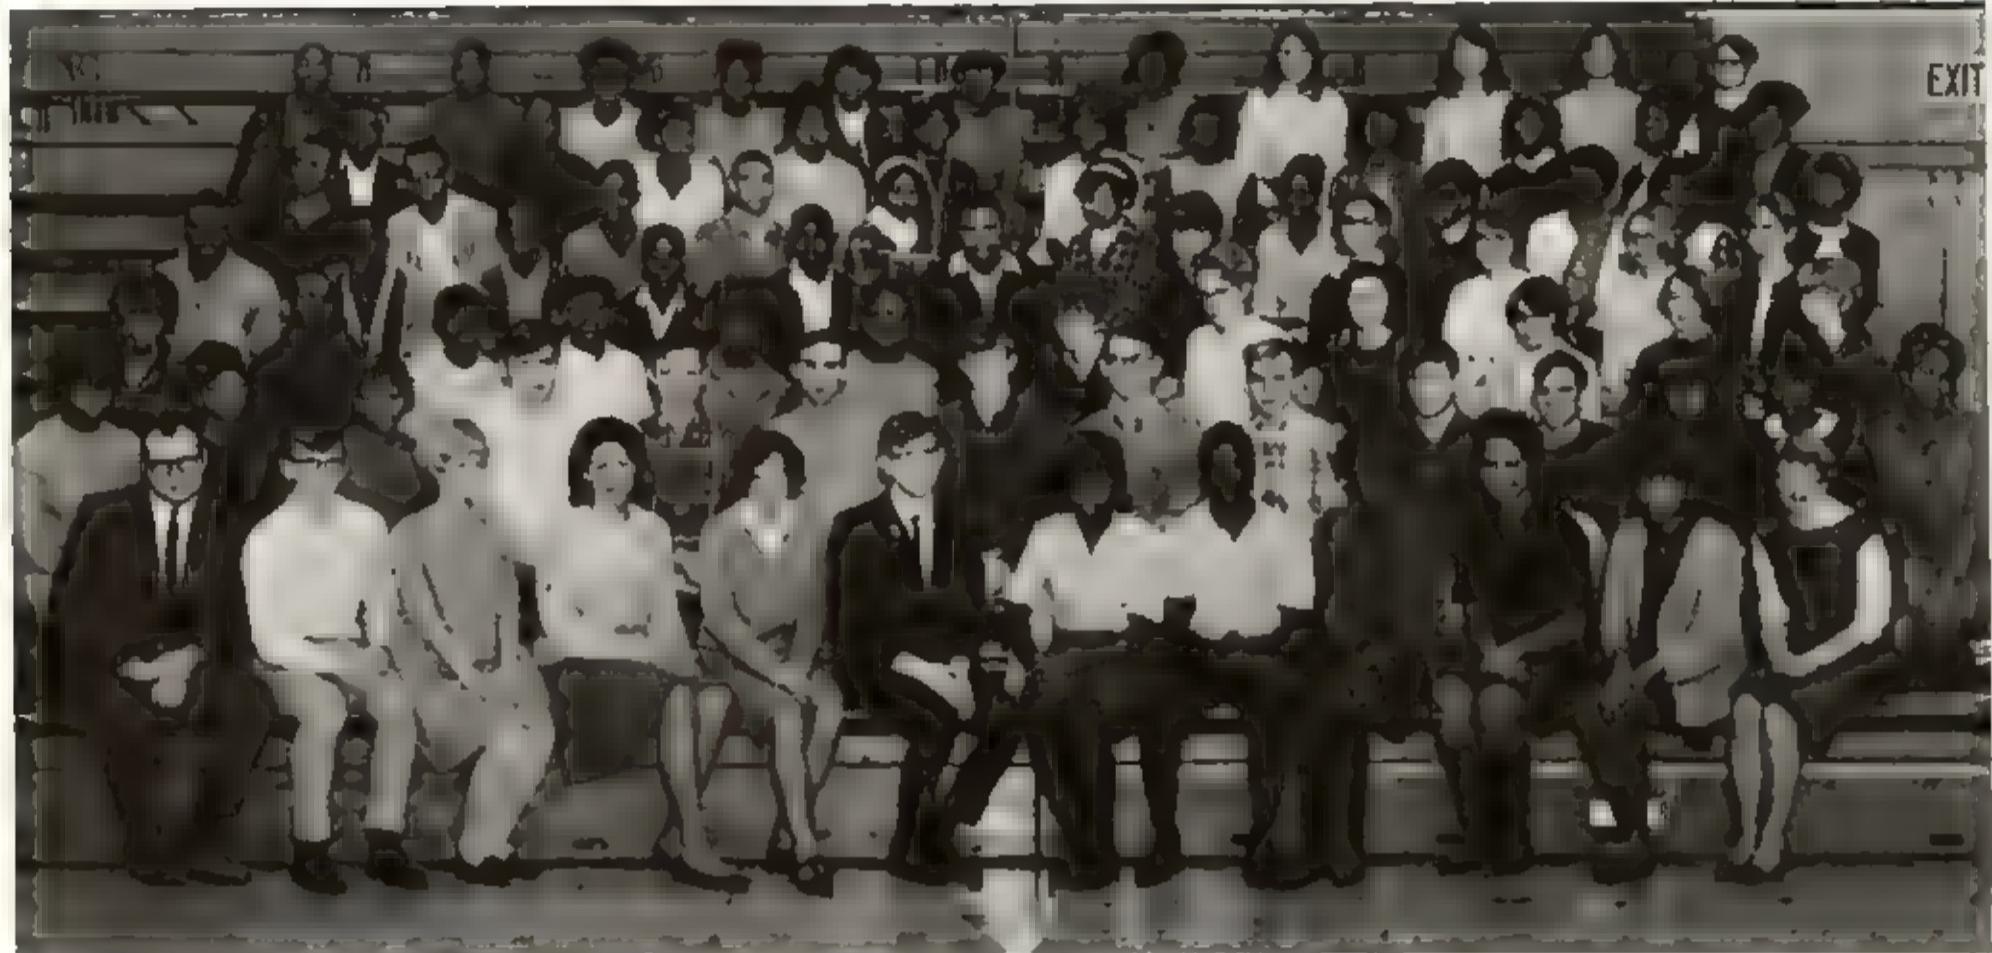

This year Sue Harmon and Jerry McCarty were King and Queen of Homecoming. Members of their court included: Barb Marchuk and Bill Fowler; Anna Rufus and Walter Baker; Connie Thompson and Jerry Wing; Betty Blake and Arthur Davis; Linda Walker and James Turner; Joyce Kromer and James Ruboyianes. The King and Queen were escorted by Willie Mae Chapman and Roger Hoekenga, respectively. Superintendent and Mrs. Fred E. Strong were assisted by Pat Kalanowski and Dennis Forbes with the crowning of the royal couple. The Senior Arbor girls were: Joyce Walker, Arlene Zirimba, Barbara Webb, Elaine Povalaitis, Tina Campbell, Nancy Brown, Marva Klassen, Pat Kelley, Lynn Burns, and Cheryl Falkowski. The Tiger Marching Band, under the direction of Mr. Gene Marklevits, provided the background music for the procession. Mr. Jerry Razor, an alumnus, was in charge of all the field work.

The third annual reception was held right after the game. Deborah Clemons was in charge of the reception.

This year something new was tried for Homecoming. There was an open float competition through-out the school. This year the theme of Homecoming was "Future" and all floats were to pertain to this. The Junior float, "Future Victory", won the first prize of \$10, and Auto Shop's float, "Prime Future", won the second prize of \$5. The judges of the float competition were Mr. Luther Dease and Mr. John Sydnor.

The Student Council, under the direction of Miss Jane Schroeder and Mr. Dave Ashendorf, sponsored the Homecoming and all its events. This year's co-chairmen of Homecoming were Anna Rufus and Pat Kelley.

SHARE THE FARE

Give your "fare" share for Share-the-Fare was once again the slogan for the 1967 campaign to "Let a Tiger Travel."

The foreign student committee, a special committee of Student Council, and advised by Miss Jane Schroeder and Mr. Dave Ashendorf, set the goal of \$1500. Tickets were printed by Mr. Sandri's printing classes and distributed to the students in their 10:00 classes.

January 25 - Feb. 10 were the dates set by co-chairmen for the event, Joyce Walker and Connie Thompson. Feb. 8 and 9 were the always favorite, "Tog Days" in which girls one day "bought" a boy for 25c, and on the next day the boys got even.

Prizes were offered to the top salesmen, the first place receiving \$15, second \$10, and third \$5. Colorful posters adorned the halls by Tom Farkas and Everett Pimpleton.

A well deserved "thanks" goes out to all who helped make the 1967 Share-the-Fare program the success it was.

Publications

The journalism staff deals with all aspects from writing a simple article for a newspaper to the complicated planning and printing of a newspaper. It deals with the planning and putting together of an entire school yearbook. Journalism is a combination of new ideas and old ones recreated. Some call it "The Fourth Estate."

The F.T.A. of our school uses the following as its guide:

To learn about the teaching profession, its opportunities, responsibilities, and its important role in our democracy.

To explore our own interest and abilities in relation to the various fields of teaching.

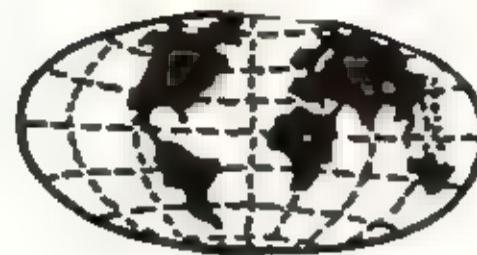

To cultivate in ourselves the high qualities of personality, character, and leadership which are essential in good teachers.

To learn how and where teachers receive their preparation, the cost, the scholarships available, the number of years required, and the certification requirements and standards.

To study the lives and the influence of great teachers.

Language Club

BETTER LIVING FOR A BETTER WORLD

Language Club's purpose is to "instill the practical uses of languages." It attempts to show how a foreign language can enrich the mind and culture of a person. It shows further, a commercial, scientific, and social communication with foreign countries. Colloquial speech is another vital aspect Language Club promotes.

Clublicity

By Marva Klassen

A trip to Niagara Falls is being planned by Biology Club. All those in the club or anyone who is taking a science course at the present time with a certain grade average is eligible to go on the trip which will be sometime in April. The club members are selling boxed candy to help finance the trip. Miss Forbes and Miss Twork are the advisers.

Films have been shown at Future Teachers meetings that deal with education and teaching. Anyone who is interested may see the movies. The FTA charms and pins have been distributed to the members. The club is now selling candy bars to earn money so that they may visit another college. Mrs. Engle is the adviser.

On March 6 at Muskegon High School the annual written test was given for "Secretary of the Year." Representing the Future Secretaries of Association held a fashion show and luncheon on February 25. Miss Kathryn Rei is the adviser.

Last month the ninth and tenth grade Y-Teens helped with the Mother's March of Dimes. On Friday, March 17, they will be having their Slumber Party at the Y.N.C.A. They are also making plans for the Y-Teen Summer Conference which is held at the Y-Teen Camp. Miss Willis is the adviser.

Did You Know

Did you know that the Acorn is almost 100% a "homemade" product of our high school?

Foreign Language Club Under Way

By Deborah Clemonns

Foreign Language Club, under the advisership of Mr. Pacquin and a new instructor, Mr. Anderson, chose officers recently.

"The affirmative in today's debate is resolved: that the foreign aid program of the United States should be limited to non-military assistance."

The "Tiger-Talk-Team" heard this time and again as they set out to uphold the Muskegon Heights High School tradition and reputation for having one of the finest debate teams in the state. The proposition was a timely and controversial one which the teams handled very well.

This year's team was relatively small with only Dennis Forbes and Joyce Walker (co-captains) returning as varsity debaters from last year. This was also the first year for Mr. Don Kordux as coach. The Tigers are members of the Valley Coast, Michigan State, and Outstate Debate Leagues.

Varsity Basketball

Although the results are not as spectacular as in years gone by, our Tigers Cross-country team has had a fine season.

Coach H. Donn Westman stated, "I am as pleased with this season as any, even though in the past five years we have won six championships."

The reason I am pleased with this season is because we improved more rapidly than I could have ever expected. We were the most inexperienced team in the league. Now we are looking forward to next year with eagerness and with the experience necessary."

The Tigers finished a fine season with a record of five wins and five losses. They also finished fifth in the Valley Coast Conference Meet, and in the Regional Meet they placed 16th. Dennis Glover, a junior, this year, was the only one from the Muskegon area who qualified for the State Meet.

Mr. Del Firme
Head Football Coach

The student body of Muskegon Heights High School should be proud of the 1966 Varsity Football Team, even though the team did not have a winning season. They did as well as could be expected, perhaps better than could be expected considering that the entire group numbered only from 20 to 25 players. Football today demands that a team have extra manpower for substitution, in order to win. This our team did not have. Because of this lack of manpower, our team lost games that should have been victories. However, we should be proud of our team and our fine coaching staff, for the excellent job they did and the way they represented our school on the field, as well as off.

The 1966 season was one of "firsts" for the freshmen. It was the first time that the freshmen have been a part of the senior high athletic family, the first year of coaching for Mr. Hornik and Mr. Pfundt, and the first time that many of these boys have ever played football.

From the spectators' point of view, this season might not seem a success; however, the coaches and the team feel that the season was very near perfect. The boys feel that the team had everything: good players with lots of potential; spirit; school support; and excellent coaching.

The junior varsity and varsity teams can look forward to receiving lots of talent in the years ahead. We offer Mr. Hornik, Mr. Pfundt, and the entire freshman team our heartiest congratulations and thanks for a job which was excellently done.

Mr. Taylor and our freshman basketball team are carrying on the fine tradition of Heights cagers. The Freshmen have won 45 of their last 46 games, and now hold the Valley Coast Conference championship.

Our Tigers averaged 67 points per game while holding their opponents to an average of 37 points. The team won 14 of the 15 games they played this season. The only loss came at the hands of the Orchard View Cardinals. However, revenge is sweet, and the Tigers bounced back to get it in the second game with the Cardinals. They won by 20 points. Coach Taylor considers the Mona Shores game as the biggest challenge that the team met. The Tigers, behind by 17 points in the third quarter, came through as only the Tigers can do for a 90 to 78 victory.

A successful season is now over, and we look to these boys for another fine Reserve squad next year when they are sophomores. Congratulations, Freshmen, for a job well done!

Tennis 1966

Coach McPhee, Skibbe, Smith, Thompson, Kelly, Johnson

Tennis, contrary to some opinions, is a demanding, strenuous, "hot" game, which calls out the best in a boy's skill, determination, and courage on the court. In many communities, the game involves hundreds of players, and has full community support.

Our Tigers have to play teams from these towns, but without these advantages. How can our Tigers expect to compete on an equal basis? Let us quote Coach Neil McPhee:

"In order to compete adequately, we need a well-sponsored summer tennis program which could well include construction of new courts. We are badly in need of moral support from within our own school. In some towns, boys begin to learn the game at the fourth grade level. Here there is little interest until a boy comes to high school. The situation presents an almost insurmountable obstacle in the path of a successful program. Our Tigers need, and deserve, much greater community and student support."

Tennis players who have graduated will tell you that tennis is a lifetime pleasure and source of confidence. You seldom, if ever, need to stop playing the game.

Coach Roger Pfundt, who once was a star for Bay City Handy, succeeds Mr. Lloyd Swelnis as our new Baseball Coach for 1967.

Mr. Pfundt pitched championship ball for Western Michigan University, tried out with the Detroit Tigers in 1962 and was scouted by the Orioles in 1965.

"Baseball has always been a major sport throughout the nation," says Coach Pfundt, "and here at Heights High there is a lot of potential. Baseball should equal football and basketball in importance. We are starting now in 1967, to build a major sport to its rightful position. Heights will have a team which desires to win, which will win, and be one of the best in the Conference, perhaps the best!"

Miss Cobb

This year Miss Cobb, the girls' physical education teacher, has developed a well-rounded schedule to meet the demands, needs, and interests of any girl participating in physical education. This schedule consists of seasonal sports, individual sports, girl's exercise classes, dancing classes, and gymnastics.

Miss Cobb also provides the girls with track and intramural volleyball which both produced winning teams.

Muskegon Heights participated in a three-way track meet for three years with Orchard View and Mona Shores. June 2, 1966 marked the third consecutive time the girls won the same trophy. With winning the trophy three times, now allows it to remain at Muskegon Heights High School forever.

Seniors

Anna Rufus

Only three senior girls have received their M. H. athletic letters, by accumulating 1000 points.

These girls are Anna Rufus, Sue Harmon, and Pauline Day. The receiving of these letters represents a great amount of work and energy. These girls proved that not only boys can win athletic honors, but girls, too. Their example should serve as a goal to be met by all under class girls.

WHERE TOMORROW IS TODAY

The computer shown in this picture is being used to help design piston rings to work in tomorrow's engines.

Serving the automotive industry demands a farsighted approach to today's problems. At Sealed Power a consistent program of research and development is carried out. We must think at least two to three years ahead because the engines of 1970 are on the drawing boards now.

To enable us to meet this challenge Sealed Power needs educated people to work in all phases of our operation.

Through your graduation from high school you are building a firm base upon which you can plan your future; whether it be to seek immediate employment or to continue on to higher education.

Man's progress is measured by his ability to substitute machinery for his own muscles.

Today our progress potential is almost infinite. Its only limit will be the capacity of our young people to forge new and better ways to do the world's work. We offer warm congratulations on your graduation, the first major step toward this goal. May each of you find much success and happiness in the years ahead.
